早いもので、ミルモも２巻めになりました。なんだかもう夢中でかいていたので、あっという間だなぁという感じです。この巻でムルモや松竹(まつたけ)くんが登場して、やっと主要キャラクターが出そろいました。テレビアニメとあわせて読んで、２倍楽しんでくださいー。

Hi guys! Mairie here! Just wanna let the readers to know that the raws of this manga is from the original version in Japanese.

I'm quite having a hard time on translating the manga since I am working alone. But still, I am going to do my best to release the manga series faster as long as possible because I'm quite more focused with the anime series.

Well, for now, I hope everyone is enjoying the manga series. If you want to get updated with both anime and manga translated releases, feel free to check my updates on
